Paul and Edith's wedding

About Paul and Edith

Paul Andrew John Speller

Born 9 December 1978, Kent

Edith Ann Speller *née* Gray

Born 14 July 1983, Aberdeenshire

Married

3 September 2005, London Zoo

Random Paul/Edith fact:

Paul was in his student room at Bournemouth University when he 'met' Edith. A super-fast internet connection available in his room often kept him from his bed, so he was the only one awake when she came online!

Animal info: California sea lion

Scientific name

Zalophus californianus

Class

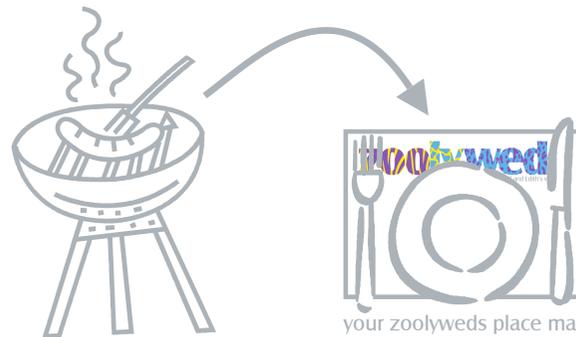

Mammal

Region

Eastern Pacific

Information

Male California sea lions grow a large crest of bone on the top of their heads, and it is this that gives the animal its generic name (loph is 'forehead' and za- is an emphatic; *Zalophus californianus* means 'Californian big-head'!).

Harry Strik
