Paul and Edith's wedding

## About Paul and Edith

### Paul Andrew John Speller

Born 9 December 1978, Kent

### Edith Ann Speller *née* Gray

Born 14 July 1983, Aberdeenshire

### Married

3 September 2005, London Zoo

### Random Paul/Edith fact:

Today Edith is wearing an old, borrowed necklace, and a new, blue dress. Whether this pairing-up of the traditional superstitious criteria will result in her receiving only half the luck remains to be seen!

## Animal info: Lion

### Scientific name

*Panthera leo*

### Class

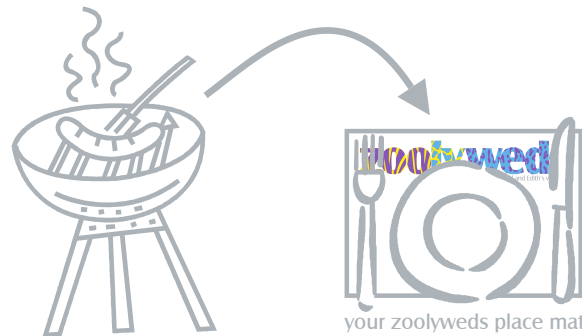

Mammal

### Region

Sub-Saharan Africa

### Information

Unlike all other cats, lions are social hunters and take prey too large and dangerous to overpower singly, including adult zebras, cape buffalo, giraffes, hippopotamuses, and even sub-adult elephants. Because of this, Paul doesn't like lions!
