Random Paul/Edith fact:

When first considering universities, Edith thought Southampton sounded good, but was too far away. Then along came Paul, who lived in Southampton during term time, and the rest is history!

Animal info: Sand cat

Scientific name

Felis margarita

Class

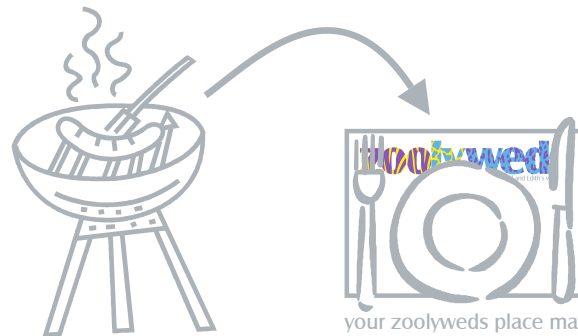

Mammal

Region

Africa and Asia

Information

A distinguishing feature of this small wild cat is its conspicuously broad head. It lives in arid areas that are too hot and dry even for the desert cat: the Sahara, the Arabian desert, and the deserts of Iran and Pakistan.
