Random Paul/Edith fact:

Paul once worked at The Big Breakfast for a week, shadowing the show's Friday Producer. He was rewarded with a few seconds' national TV exposure – in which he had to flush a toilet!

Animal info: Toco toucan

Scientific name

Ramphastos toco

Class

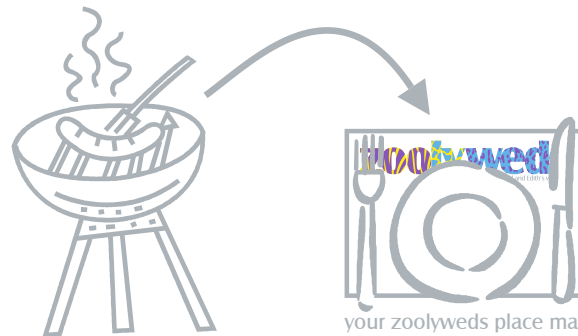

Bird

Region

South America

Information

The Toco toucan is the most well known and largest member of the toucan family. Its most noticeable feature is its huge yellow beak, which is incredibly light due to air pockets. Its diet is mainly fruit, with some insects and bird eggs.
